

Village Soccer League

Fieldhouse Fan Guide

Location . All Village Soccer League matches are played inside the Fieldhouse located in west Lincoln at 345 Speedway Circle in Lincoln, NE 68502, within Speedway Sports Complex. There is one entrance / exit to the complex, positioned where South Street (Park Blvd.) and Van Dorn Street (Nebraska Pkwy.) meet. Refer to the map below. The Fieldhouse is the building denoted with a red star.

Parking . Fans can park anywhere in the lot to the west of the building. For the safety of all inside, parking in the fire lane is prohibited and vehicles parked there will be towed. The fire lane is clearly marked with a bright red curb.

Entrance . All league directors, coaches, athletes, referees, and spectators will use the main Fieldhouse entrance, at the south end of the building. The Fieldhouse is equipped with a new security system and other doors will alarm when opened. This traffic flow protects the safety of everyone using the Fieldhouse.

Outside Food & Drink . Outside food and drink is not allowed. You will be asked to throw away all outside food & drink before entering, so leave it in your car. Athletes can bring their own water or sports drinks with lids.

Gate Fee . Be prepared to pay the gate fee. Credit cards, debit cards, cash, and Apple Pay are all accepted. People aged 12 and older are \$4, children aged 3 to 11 are \$2, and children aged 2 and under are free. Coaches and athletes enter for free on their days of play.

Etiquette . Cheer loud! Spectators must stay outside of the perimeter net, and off of the turf. Bleachers that line the west side of the Fieldhouse and the southwest corner of the upper mezzanine are great places to cheer from. Outside sideline chairs are allowed. Please do not obstruct others from viewing matches. Children 11 and under must be accompanied by an adult. Running in walkways, kicking balls against walls, and other disrespectful behavior will not be tolerated.

Concessions . The Fieldhouse concession stand will be open anytime the league is in session. We are a Coke soda vendor and sell everything from locally-made LeQuartier cinnamon rolls to hotdogs, nachos, A-Maize-N popcorn and candy.

Code of Conduct . EVERYONE who participates in this league as a director, coach, athlete, referee, or spectator will remain respectful and courteous to all stakeholders listed prior. You must follow directions from venue staff regarding Fieldhouse policies and emergency procedures. Violence, abusive language or behavior, obscene or indecent clothing, throwing things onto the field of play, or causing property damage will not be tolerated. This league is comprised of CHILDREN, and we will all behave in a manner that recognizes that.

Did you know? On January 1, 2024, management of the Speedway Sports Complex Fieldhouse and all outdoor soccer fields was assumed by a 501(c)3 non-profit corporation exclusively built to

- 1) offer ethical administrative structure for the establishment and management of amateur youth sports teams,
- 2) protect youth athletes and their families from exploitation,
- 3) provide access to the best facilities and coaches for all amateur athletes at all levels, so that an athlete's Work Ethic alone determines whether s / he reaches their full potential, and
- 4) promote the educational value of youth sports by connecting lessons in Competition, Sportsmanship, Teamwork, Resilience, Confidence, and Accountability to athletic success.

Profits earned from gate fees and concession stand sales are reinvested into our local amateur youth athletes, primarily by way of facility renovation and field development, and subsequently protecting access to those upgraded facilities.

Fieldhouse Map . High school teams playing 9 v 9 will play east / west, using the yellow lines. Teams registered as U15 and younger, playing 6 v 6, will play north / south, using the white quad lines. Coaches and athletes access the turf surface where the red stars are. Please leave them a clear walkway.
