Entrance . All league coaches, athletes, referees, and spectators will use the main Fieldhouse entrance, at the south end of the building. The Fieldhouse is equipped with a security system and other doors will alarm when opened. This traffic flow protects the safety of everyone using the Fieldhouse.

Concessions . The Fieldhouse concession stand will be open anytime the league is in session. We are a Coke soda vendor and sell everything from locally-made Le Quartier cinnamon rolls to popcorn and candy.

Code of Conduct . EVERYONE who participates in this league as a coach, athlete, referee, or spectator will remain respectful and courteous to all stakeholders listed prior. You must follow directions from venue staff regarding Fieldhouse policies and emergency procedures. Violence, abusive language or behavior, obscene or indecent clothing, throwing things onto the field of play, or causing property damage will not be tolerated. This league is comprised of CHILDREN, and we will all behave in a manner that recognizes that.

Did you know? On January 1, 2024, management of the Speedway Sports Complex Fieldhouse and all outdoor soccer fields was assumed by a 501(c)3 public charity corporation exclusively built to

- 1) Offer ethical administrative structure for the establishment and management of amateur youth sports teams,
- 2) Protect youth athletes and their families from exploitation,
- 3) Provide access to the best facilities and coaches for all amateur athletes at all levels, so that an athlete's Work Ethic alone determines whether s / he reaches their full potential, and
- 4) Promote the educational value of youth sports by connecting lessons in Competition, Sportsmanship, Teamwork, Resilience, Confidence, and Accountability to athletic success.

Profits earned from gate fees and concession stand sales are reinvested into our local amateur youth athletes, primarily by way of facility renovation and field development, and subsequently protecting access to those upgraded facilities.

Fieldhouse Map . Teams registered for 11 v 11 play will use the full length of the Fieldhouse, running north to south. Teams registered for 9 v 9 and 7 v 7 play will compete east to west, using the yellow field markings. Coaches and athletes will access the turf at the designated red star locations ; please keep these walkways clear at all times.
